About Luxembourg School of Business

At the crossroads of Europe, the leading business school in Luxembourg is the reflection of the country itself: an innovative place welcoming people from all over the world, and working together for a better future.

✓ Luxembourg's only business school accredited by the Ministry of Higher Education and Research.

✓ Faculty affiliated with top-ranked institutions including MIT, Harvard Business School, ESADE, and Bocconi.

✓ Member of AACSB, the leading global business education network.

✓ Erasmus Accredited, the world's most successful student exchange program.

Welcome to Luxembourg School of Business – **a business school based in one of the world’s major financial and business centers.** As the globalization and connectivity trends continue, the speed and amplitude of change constantly increase. State of the art knowledge thus has become and will stay a key success factor in the managerial selection process.

We, at Luxembourg School of Business, dedicate all our efforts **to provide an inspiring and multicultural learning environment to business leaders** from domestic and international companies operating in Luxembourg as well as across Europe and the world. **Our world-class international faculty includes experienced and proven business leaders from all parts of the world** who are looking forward to sharing their experience and to supporting you in finding your own way to stay on top of the competition. Whether it is through our MBA or any of our degree programs, helping ambitious professionals find the appropriate program to make and keep them fit for success is at the core of what we do.

Your success is our success. Tell us your ambitions and we will jointly work to make them happen.

Dr. Dino Dogan

Dean of Luxembourg School of Business

◆ Develop your own leadership style:

Our MBA candidates **become thorough leaders**, better communicators, and **more confident decision-makers** through our leadership courses and workshops.

Words from the Academic Director

The LSB Full-Time MBA program is designed for career-minded professionals seeking to develop the future leadership skills necessary to create more business value and societal impact in a global context.

Our MBA students come from a variety of positions in organizations operating in multiple sectors in Luxembourg and beyond. The classroom is truly global, and students benefit immensely from deep interactions, exposure to diverse perspectives, and the advantages afforded by strong networks with like-minded peers. MBA classes take place during the week, allowing students to complete their MBA in one year, with minimal disruption to busy careers.

The program is delivered by world-renowned faculty, who integrate cutting-edge knowledge and innovative teaching practices into exciting and relevant courses designed to equip students with the skills needed to be at the forefront of competing in an increasingly globalized, technological, and ESG-focused world.

We look very much forward to welcoming you to LSB's Full-Time MBA program, and to being a part of your leadership journey.

Stephen Rosenbaum PhD

Professor, LSB

MBA Academic Director

3 ECTS

1 Elective Course

3 ECTS

Negotiation

1 ECTS

Volunteer Work / Non-Profit Organizations Management

1 ECTS

Module 4

(15 ECTS) - Executions

The study plan of Module 4 is made of Electives (9 ECTS).

An individual research project or an Entrepreneurial Business Plan is required to graduate (6 ECTS).

After the coursework is completed, students can earn extra 10 ECTS with a paid internship.

The Full-Time MBA program allows you to **gain a deeper understanding of finance with electives in:**

M&A and Restructuring, Private Equity, Venture Capital, Risk Hedging and Investor Relations.

(3 ECTS)

M&A and Restructuring

This course explains how to **translate Corporate Strategy into M&A strategy** and how to identify targets for value propositions and synergies including the basics of M&A, target search, transaction process, and **valuation techniques** as well as the **evaluation of factors for success** and failures in the M&A business.

(3 ECTS)

Risk Hedging

Learn the importance of **liquidity & treasury management** in the context of a corporation through **fundamentals of derivatives instruments**. The course illustrates how the **use and planning of derivatives** serve as a lever in corporate risk management. **Understand the valuation techniques of basic derivative contracts** by adopting a practical approach thanks to real-world case studies.

(3 ECTS)

Private Equity and Venture Capital

This course is focused on the **analysis of the private equity and venture capital industry** from the perspective of financial intermediaries dedicated to **scouting, advisory, arranging, and financing activities**. Students will understand the risks and rewards for a private equity investor, and learn how to assess a good investment.

(3 ECTS)

Investor Relations

This course will help students to **learn how to optimize the time and resources** spent engaging and **retaining investors**. Understand the rules governing price-sensitive disclosure and **utilize shareholder value**-enhancing strategies, metrics, and messaging.

- ◆ **Leadership course with the Luxembourg Army:** Under the supervision of the army staff, students may complete a two-day workshop in order to improve their team leadership skills in a challenging environment.
- ◆ **Regatta race competition:** As part of the leadership journey, MBA students participate in a regatta race at the Belgian or Dutch Coast. Throughout this experience, our participants learn how to communicate a clear vision and work as a team under the pressure of a sailing competition in a completely unknown and challenging environment.
- ◆ **International study trips:** Immerse yourself in diverse cultures, gain global perspectives, and build your global network. Past and upcoming trips include Singapore, Dubai, and New York among others.

“ During the workshop with the Army of Luxembourg, we are exposed to different situations. They drive us to work as a team and to find different ways to face challenges ”

Vivian Schramm

Guardian Industries
Sales & Operations Planning Process
Director

Leadership focus: Over the course of the program, students engage in a leadership journey, which with an ongoing cycle of practice and reflection, allows them to nurture their own leadership styles.

Career Center Support:

Luxembourg School of Business career center provides a **variety of services to support students** throughout their study program and beyond. **We work closely with students and businesses** maintaining **close relationships with companies in Luxembourg** providing comprehensive support and guidance to students and graduates in their career development.

- ◆ **Coaching on professional applications**, job interviews, career planning, CV, cover letter reviews, preparation for salary negotiations, networking, and more.
- ◆ **One-to-one meetings** are planned to understand each individual situation and prepare a well-suited plan to achieve your career goals.
- ◆ Discuss your **personal career plans**, get feedback on your applications and clarify any open questions.
- ◆ Access career support through **personal consultations** during and after your studies.

When you graduate from the Luxembourg School of Business, you leave with a unique set of tools, skills, and approaches.

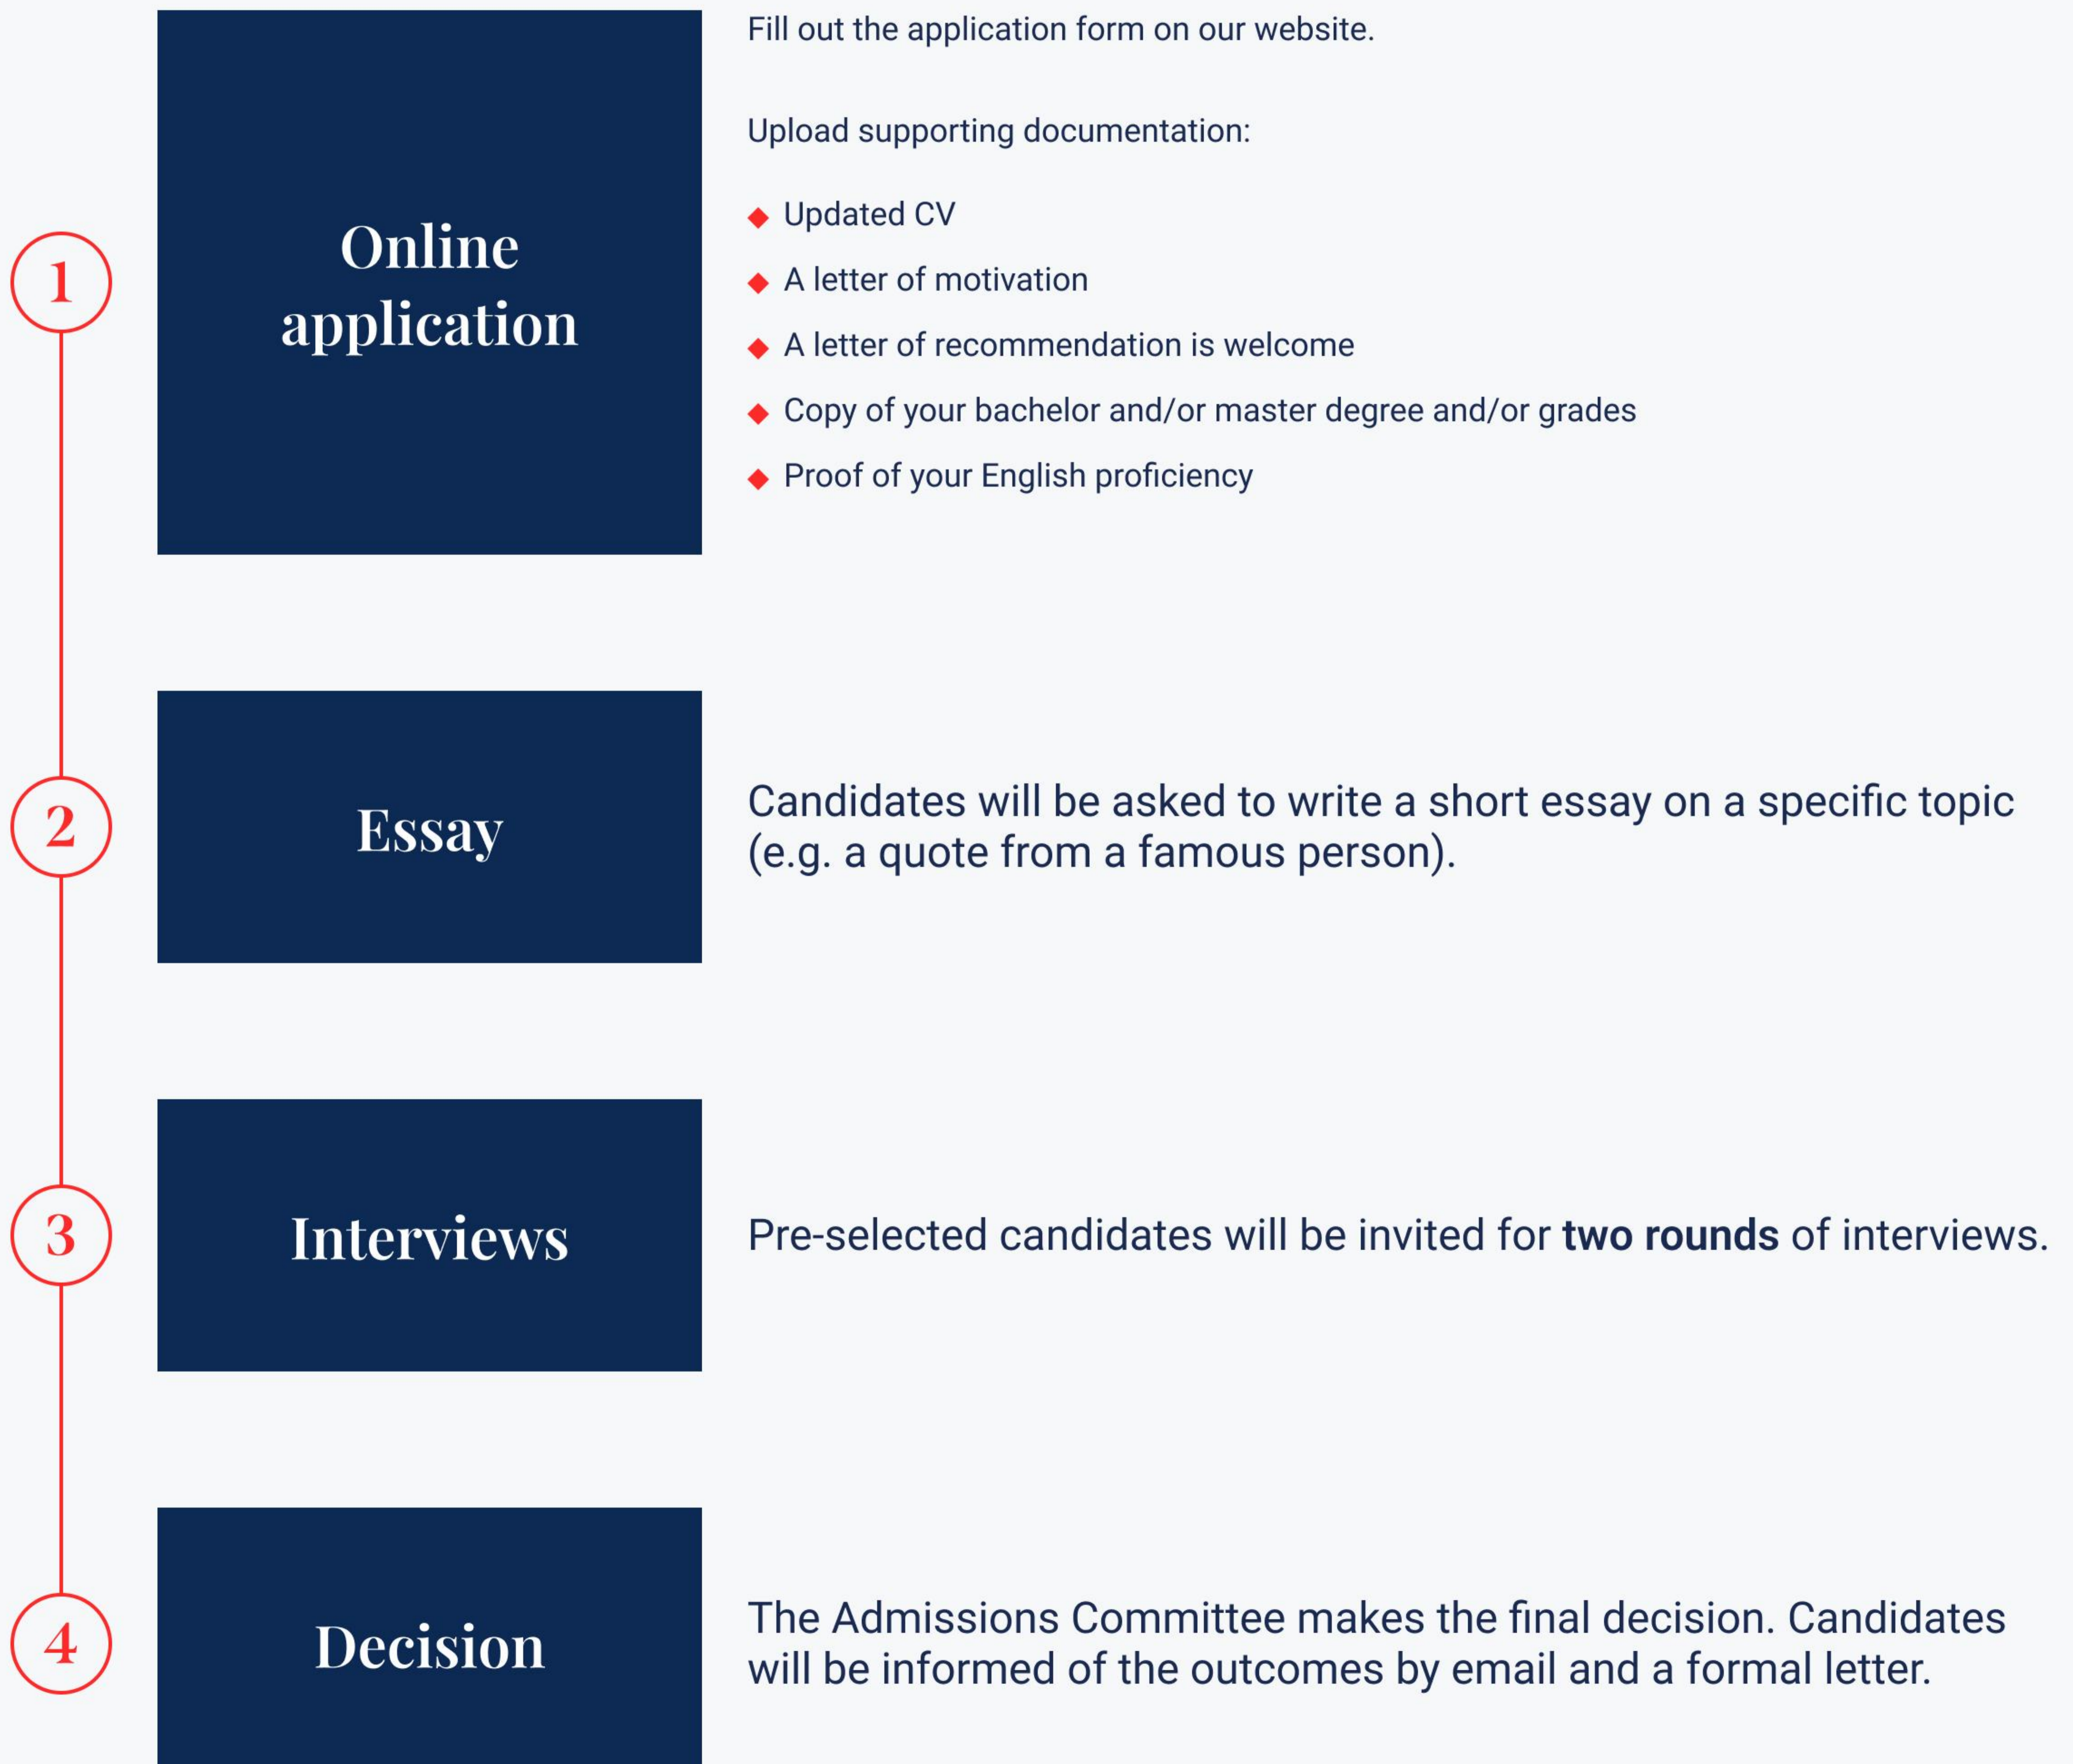

We are here to help you put them to the best possible use. So if you're looking for the next career move, we're here to help you find it!
